

Web-based Service Acknowledgement

Dear Parent(s)/Guardian(s),

In order for the Student Leadership Academy to continue to provide your student with effective web-based tools and applications for learning, we must follow federal regulations that require a parental signature as out-lined below.

Our school utilizes several computer software applications and web-based services, operated not by this school, but by third parties. These include Achieve 3000, Blackboard, Teacherease, Adobe Creative Cloud, Remind, Clever, and other similar educational programs.

In order for our students to use these programs and services, certain personal identifying information (generally the student's name, email address and username) must be provided to the website operator. Under federal law entitled the *Children's Online Privacy Protection Act* (COPPA), these websites must provide parental notification and obtain parental consent before collecting personal information from children under the age of 13. For more information on COPPA, please visit [https://www.ftc.gov/tips-advice/business-center/guidance/complying-coppa-frequently-asked-questions#General Questions](https://www.ftc.gov/tips-advice/business-center/guidance/complying-coppa-frequently-asked-questions#General%20Questions)

This form when completed below; will be kept on file and will constitute consent for the Student Leadership Academy to provide personal identifying information for any student under 13 who will be accessing these services. To give consent, please select the OPT-IN box below. If you do not want your student to participate in these programs, select the OPT-OUT box below.
