

# Student Leadership Academy 2020 Cross Country Meet Schedule and Directions

*For all meets: Please arrive no later than 3:30! Girls will run at 4:00 and boys will run immediately following the final female finisher (usually around 4:30). Please prepare to stay until the final male finisher. I understand when you have previous commitments, but we want to be a strong, united, encouraging team. The final finisher is just as important as the first and deserves just as much celebration! \*Directions are all from Student Leadership Academy*
